

# February 2026 [Breakfast] Main Menu Allergen Table

- The menu and ingredients may change depending on the purchasing situation, so please contact Cafeteria "Fuji" for details.
- Since our restaurant is a large-volume cooking facility, there is a possibility of contamination during cooking. We will investigate contamination information during the product manufacturing process after receiving your inquiry in advance. If you are looking for information on specific raw materials or other than recommended items, it will take time, so please contact us by the deadline.
- Please note that if your symptoms become severe even after ingesting a small amount, or if you consume a large number of eliminated foods, we may ask you to bring a lunch box or eliminated foods.
- If you have a food allergy, please let us know at least two weeks in advance (excluding closed days).
- We refrain from providing removal or substitute meals to people who may develop serious symptoms such as anaphylactic shock, or who have had shock in the past. Please note.

\*Breakfast is served in a buffet style, and each person can choose the food they like, so  
Unintended contamination may occur. (If there are less than 30 people on the day, a plate will be provided)
